cartons

quality, professional packing materials

DEAR CUSTOMER

When Stephens carry out any packing on your behalf, the materials required are provided at NO EXTRA COST.

Should you elect to carry out your own packing, we can provide you with an ample supply of high quality packaging materials. We recommend these as being the most effective way of protecting your effects.

A list of items available together with their price is shown overleaf. Please note that the cost of our cartons is 100% refundable if they are returned to us.

All of the items are designed to fold and can therefore be collected by car, alternatively we do provide a delivery service within a 25 mile radius of our depot, at a fixed rate of £10.00 (including VAT) per delivery.

Please note that should you 'over order', surplus materials can be returned with our staff on removal day and those materials will not be charged for.

The offers listed over are only available to patrons of Stephens Removals incorporating Bishop's Move and Bramwells and do not extend to any persons not using their services.

When you book your removal please notify Stephens if you require any packaging materials.

All cartons are made from recyclable materials and are strong, professional quality boxes. Care should be taken, however, not to overload or overfill them.

Prices shown overleaf include VAT.
